### LICENSE AGREEMENT

I (we) hereby declare that:

- [1] The article submitted is an original work and has neither been published in any other peer-reviewed journal nor is under consideration for publication by any other journal. More so, the article does not contravene any existing copyright or any other third party rights.
- [2] I am/we are the sole author(s) of the article and maintain the authority to enter into this agreement and the granting of rights to *AMPHIBIAN & REPTILE CONSERVATION* (ARC) [[amphibian-reptile-conservation.org](http://amphibian-reptile-conservation.org)] and owner Craig Hassapakis does not infringe any clause of this agreement.
- [3] The article contains no such material that may be unlawful, defamatory, or which would, if published, in any way whatsoever, violate the terms and conditions as laid down in the agreement.
- [4] I/we have taken due care that the scientific knowledge and all other statements contained in the article conform to true facts and authentic formulae and will not, if followed precisely, be detrimental to the user.
- [5] I/we permit the adaptation, preparation of derivative works, oral presentation or distribution, along with the commercial application of the work.

### COPYRIGHT TRANSFER

Copyright to the above work (including without limitation, the right to publish the work in whole, or in part, in any and all forms, including any supplementary materials that I/we may author in support of the online version) is hereby transferred to ARC [[amphibian-reptile-conservation.org](http://amphibian-reptile-conservation.org)] and owner Craig Hassapakis, to ensure widest dissemination and protection against infringement.

### AUTHORS RECIPROCAL RIGHTS

*AMPHIBIAN AND REPTILE CONSERVATION* agrees:

- [1] That the article will be published on the ARC website [amphibian-reptile-conservation.org](http://amphibian-reptile-conservation.org) under "Creative Commons license" within an Open Access environment, freely accessible to those who wish to browse, read, print, save, copy, display or further disseminate the contribution including the posting of the contribution on a free website or in an institutional repository, or to alter, transform or build up the contribution to create a derivative work, provided all such uses are non-commercial and include an attribution of the contribution to its author with full details of its title and place of original publication including copyright line, and a link to the URL [[amphibian-reptile-conservation.org](http://amphibian-reptile-conservation.org) "ONLY"] of ARC website for the journal of original publication. *AMPHIBIAN & REPTILE CONSERVATION* and owner *Craig Hassapakis* will license such uses under the following Creative Commons license: "[Creative Commons Attribution-NonCommercial-NoDerivs 3.0 Unported License](https://creativecommons.org/licenses/by-nc-nd/3.0/)"
- [2] The authorship of the original author must be acknowledged in any further publish the work in whole, or in part, in any and all forms.
- [3] The Author retains the right to re-use the paper or an adapted version of it in any volume of which they are editor or author, whether or not for commercial gain, and permission will automatically be given to the publisher of such a volume subject to normal acknowledgement.

For the absence of doubt, **prohibited** uses will include:

- [4] Commercial re-use, defined as the dissemination of the contribution for direct commercial gain in any context other than re-use within a volume of which the Author is editor or author.
- [5] Reproduction of the contribution in a potentially defamatory context or any other context which may reasonably be deemed inappropriate to the reproduction of a scholarly article bearing the imprint of a respectable academic publisher.

**AUTHOR'S COPYRIGHT OBLIGATION**

- [1] If your contribution includes textual or illustrative material not in your copyright and not covered by fair use / fair dealing, permission must be obtained from the relevant copyright owner (usually the publisher or via the publisher) for the non-exclusive right to reproduce the material worldwide in all forms and media, including electronic publication within an Open Access environment. The relevant permission correspondence should be attached to this form.
- [2] The information provided on this form may be held in perpetuity for record purposes. The name(s) and address(es) of the author(s) of the contribution may be reproduced in the journal and provided to print and online indexing and abstracting services and bibliographic databases.

**WARRANTY AND DISCLOSURE OF CONFLICT OF INTEREST**

- [1] I/we warrant that I am/we are the sole owner or co-owners of the contribution and have full power to make this agreement, and that the contribution contains nothing that is in any way an infringement of any existing copyright or license, or duty of confidentiality, or duty to respect privacy, or any other right of any person or party whatsoever and contains nothing libelous or unlawful; and that all statements purporting to be facts are true and that any recipe, formula, instruction or equivalent published in the Journal will not, if followed accurately, cause any injury or damage to the user.
- [2] I/we further warrant that permission for all appropriate uses has been obtained from the copyright holder for any material not in my/our copyright including any audio and video material, to be reproduced as part of the contribution including within an Open Access environment and that the appropriate acknowledgement has been made to the original source, and that in the case of audio or video material appropriate releases have been obtained from persons whose voices or likenesses are represented therein. I/we attach copies of all permission and release correspondence.
- [3] I/we indemnify and keep ARC and Craig Hassapakis, indemnified against any loss, injury or damage (including any legal costs and disbursements paid by them to compromise or settle any claim) occasioned to them in consequence of any breach of these warranties.

Please disclose any potential conflict of interest pertaining to your contribution or the Journal; or write 'NONE' to indicate you declare no such conflict of interest exists. A conflict of interest might exist if you have a competing interest (real or apparent) that could be considered or viewed as exerting an undue influence on you or your contribution. Examples could include financial, institutional or collaborative relationships. The Journal's editor(s) shall contact you if any disclosed conflict of interest may affect publication of your contribution in the Journal.

Potential conflict of interest .....
