This journal supports the programs of Partners for Amphibian and Reptile Conservation (PARC) to promote education about reptiles and amphibians and protection of their habitats.

Visit www.herpconline.com or access herpconline@hawaii.net for the latest news, herpetology and reptile articles with updates for the electronic edition. Use the Internet. You can subscribe via online editorial articles at the same time. Finally, search reptiles & amphibians journal, 1999 (and previous) at herpconline.com and another journal search available to guide you to the source you need.
